Re: Paws To People Organization, EIN 46-2713415

The completion of our non-profit's registration is being blocked by the COROS on-line process due to a missing 2012 Federal Tax Filing.

The Paws To People Organization fiscal year runs from July 1 through June 30. Our State incorporation was approved by the NMPRC (#4728610) on April 24, 2013.

I, Susan S. Sehi-Smith, President of the Board of Directors, an officer of the corporation, attest that we did not file 2012 taxes, either federal or state.

Please complete the processing of the Paws To People registration, based on the above information.

Thank you.
