Dear Ms. Winkel,

After an exhaustive search of all available club records, we regret to advise the Attorney General that we are unable to locate any tax filing for 2008. Nor has the IRS ever found a Form 1023 from for that year.

We have submitted as completely as possible, all materials requested by the Attorney General, save that of the tax report, which we apparently never filed.

Our club holds annual officer elections, and since 2008 have changed a number of personnel and with change, came records transfers. In reviewing our past records, we discovered that the transfers haven't gone as smoothly as one would expect them too. Please be assured that we are taking abatement actions to correct the deficiencies.

We respectfully ask your divisions understanding with our actions, and all we have tried to do and are doing. We would appreciate your gracious guidance on how best to expedite a favorable resolution to this matter and our return to a good standing with the Great State of New Mexico.

Very respectfully

JAMES L. HUNTER
