Dear Mr. Peter Smith:

We have prepared the enclosed extension forms from information submitted by you without verification or audit. We suggest that you examine these forms carefully to fully acquaint yourself with all items contained therein to ensure that there are no omissions or misstatements.

**Federal Filing Instructions**

Your 2022 Form 8868 for Form 990 shows no balance due.

Your extension is being filed electronically with the IRS and is not required to be mailed. Mailing a paper copy of Form 8868 to the IRS will delay the processing of your extension.

The extension for Form 990 for the tax year ended 12/31/22 is valid until November 15, 2023; therefore, the return must be filed on or before this date. We will be contacting you in advance of this date with the completed return.

In order that we may properly advise you of tax considerations, please keep us informed of any significant changes in your financial affairs or of any correspondence received from taxing authorities.

If you have any questions or if we can be of assistance in any way, please do not hesitate to call.

Sincerely,
