*Charity Purpose:* Networking & Mentoring: We encourage and help women enter and succeed in non-traditional careers. We nominate network members for awards. In 2007 we initiated an annual award to recognize NM women who further the goals of the Network.

- Professional Conference: Our Annual fall meeting and Technical Symposium provides an opportunity to present technical papers in a supportive environment. It also provides professional development and networking opportunities.
- Chapters: Local chapters promote networking and communication among members by providing regularly scheduled meetings, talks, and other local activities.
- Expanding Your Horizons™ (EYH): Licensed by NMNWSE from the EYH Network. We encourage young women to enter the fast-growing high-technology professions by sponsoring EYH. These conferences are designed to provide career information to 5-12th grade students and their parents, teachers, and counselors. The emphasis of EYH conferences is communicating the excitement and challenge we experience in our work through "hands-on" career workshops, panel discussions, and interaction with professional role models who share their experiences and give practical advice.
- Career Information Booklet: Careers: Exploring the Possibilities acquaints young women and their parents, advisors, and teachers with non-traditional career opportunities. Available on-line at <http://nmnwse.org/careers/>.
- Science Fair Awards: NMNWSE special awards are given to encourage young women to continue their interests in math, science, engineering, technology, and allied professions.
